A note from Miss McNicholas

Good afternoon,

We've had a busy but brilliant week! On Tuesday, we started the day in collective worship led by John Burland, the children thoroughly enjoyed the concert (check out some of the videos on our Facebook site). Following on from this, the children enjoyed the rest of the day reflecting and producing work relating to our mission statement this year of 'Love and Protection'. Our main corridor leading to the hall will have a display by each class which reflects our mission this year, I will send you pictures of this once it's complete.

On Tuesday and Thursday afternoon, we had a tiger that came to tea at SMC! Thank you to all our fabulous Year 2 families who joined in with the tea party and celebrated in their children's writing achievements so far this year.

This morning we celebrated Mass in school with Fr Phil. Fr Phil has recently joined our Parish family and it was wonderful to share Mass with him for the first time. I know he was very impressed with all our pupils and we look forward to seeing him in school and getting to know him better.

Again, I would just like to say a huge thank you for your generosity and support - take a look at how much we have collected already for our Harvest Appeal. We will be continuing this appeal until the end of October - thank you!

Have a fabulous weekend everyone.

Our Lady

On October 7th, we celebrate the yearly feast of Our Lady of the Rosary. Throughout October, our SMC

Missionaries will be on the yard every morning before school saying the rosary.

They would love for you to join them - please also encourage your children to take part. It is a wonderful way to start your morning.

Some of the wonderful poems from this week...

Love & Protect

Love is protecting each other and having faith in our Lord. We must love and show kin to other, especially by helping people who make the wrong choice.

 - Purple, grey and gold striped tie
 - Grey trousers, skirts and pinafore

- No trainers are allowed.**

POLITE NOTICE

When the bell rings on a morning, I would be very grateful if you would let your children line up independently. Please can all parents/carers please then step away from these areas so the teachers can quickly escort your children into class as soon as possible without any unnecessary delays.
